1. Bayfield in Vroom Street Closure

- a. Amy laid out the plan for the weekend, Friday meet and Greet, Saturday car show 8-5, Saturday evening car cruise, Sunday Madeline Island visit. Their request is to use Rittenhouse and Front street for the show.
- b. Jim B and Tom K explained the issues that PW has with that location, difficulty for Cruise customers, safety of participants if the street were not closed and potential issues if the Ferry needed to use the harbor landing. PW suggested using Broad street, will handle more cars, easily blocked off, and close to an expandable future area.
- c. Motion to provide space on Broad street from 7am Saturday to noon on Sunday that is blocked off from traffic by Peterson, seconded by Pearson. Motion passed.
