## 1. Old Business

a. *Historic Street Project* -- sub-cutting on North Broad has begun; sidewalk also torn up. Will start on South Second Street next week when road restrictions come off (Monday at noon). Stakes in residential yards are to provide reference points.

*b.* 2015 Water Main Extension -- A-1 is moving equipment to start on Washington Avenue on Monday.

*c.* 2016 Water Main Extension-- Strand is doing engineering work in town to prepare for the proposal which needs to be submitted by the end of June.

*d. Sidewalk Assessment* -- Kovachevich is attempting to determine which private property owners are doing their own sidewalk work so assessments need not be activated.

e. Russell Sign project -- Strand is estimating costs of water line installation.

*f. PSC -- water rates for seasonal customers --* no new information; Bryan will check to see if research is at a dead end and this issue need no longer be on the agenda.

## 2. Public Works Director & Utility Operator Report

Nick Wszalek's last day will be June 3; he was thanked for his service and given good wishes for the future. He has been training Josh Pearson and they are completing water turn-ons at the campground and boat launch; hydrant flushing is next week (May 19-22). They left the meeting to go to the treatment plant.

*a. Clean Up Week* -- Lawn and Garden Clean-up has been slow; Dumpster Day looks promising *b. Season Part Time Laborer* -- only one applicant
