

Public Works Committee

January 17, 2023

Meeting called to order by Chairman Bryan at 9:00 am.

All members present.

Motion made and carried to approve agenda.

Minutes from previous meeting unavailable.

1. Old business

Cell Tower – Land lease. Motion carried to look into Bayfield County Tower and talk to Bayfield Wireless.

2. Public Works Director Kovachevich report:

Wells within City Limits discussion:

Approximate Cost for Well \$350/foot, Sewer \$300/foot combined \$500/foot

Water should be on a loop system – dead ends not allowed.

New well not allowed within 200 feet of a Municipal Well.

Developer would like to install wells which requires a conditional use permit.

Smaller Truck having issues down 1 truck.

Budget: Public Works overrun on one account.

3. Utility Operator Report: Snow removal and covering for Treatment plant operator. Bad sewer back-up while resident away. Insurance claim.

4. No Smoking – City Parks

Discussion: clarified locations to be included: Playgrounds, Parks and Beaches, not Parking areas.

Marina discussion included “How will it be enforced? Will signage include age limit?”

Next Meeting: February 21, 2023
