

**Meeting Notes**  
**Plan Commission Work Session**  
**June 12, 2018**

Updates:

- Brunch Bunch met on June 9<sup>th</sup>, Sheryl will report on 6/26
- Civic League meets next week, Mary D. will report on 6/26
- Chamber meets on 6/21, Gordy will make sure Comp Plan is on the agenda
- Survey results from Northland should be available by the end of this month

Memo re: other city plan examples

- Ashland's is visually busy, too much information
- Want Bayfield's plan to be clean, easy to use, "like a zoning code" (Durfey)
- Madison's is a manageable size, easy to use, some photos & inserts good
- Urged members to focus on Merrill as most helpful example for Bayfield

Outline

Fey led a discussion of a potential outline for the plan, highlighting statutory requirements for each section and discussing potential resources to be included.

- Hoopman will
  - Obtain ACS data from 2016
  - Research data available from Wisconsin Dept of Administration
- Ringberg will
  - Obtain school district data
  - Confirm NWRPC data can be used
  - Locate list of largest employers See what progress has been made on "25% by 2025" commitment
  - Provide list of objectives & actions identified by various City committees as priorities to continue working on
- Fey will
  - Discuss with UW colleagues at COWS/APL
    - Access to ACS data
    - Maps showing regional shared boundaries, agricultural areas
  - Pick up maps/brochures from Chamber (BART, Fruit Loop, etc)
  - Look for soil and hydrology information
  - Research county comp plan for references to City of Bayfield
  - Research recent grant for upgrade of rural tech resources, Senator Bewley
