

City of Bayfield
Public Works Committee
Wednesday, October 16, 2024
9:00AM

Liam DelMain, Nancy Pearson, Diane Fizell

Absent: Tom Bogaard, B.J. Havlek

Others: Public Works Director Joel Weber, Utility Operator Jacob Dickey, Mayor Ted Dougherty

Meeting called to order at 9:02am by Chairman Liam.

Motion to approve agenda by Nancy, 2nd by Diane, carried.

Motion by Nancy, 2nd by Diane to approve minutes from Sept. 11, 2024 meeting, carried.

No public input on agenda items.

Old Business:

Manypenny Ave: Notice will be in newspaper Oct. 24th & 31st. Bid opening will be November 14th.

Washington Ave: waiting on Northwoods Paving.

Culvert on 5th St. is lined and grouted, riprap next week, and then clean up will be done.

A water leak on 11th St. has been repaired.

Bathrooms, parks, east dock park, LE building and fountain will be shut down on Oct. 21st.

Discussion on speed sign options. Liam will contact the original requestor and explain what Joel has found to be possible.

LCRI (lead copper replacement inventory): report has been completed and submitted to the State. An informational letter will be sent to those property owners whose status is “unknown” on lead content. Water survey has also been completed with a glowing review.

Next meeting: Wednesday, Nov. 13th, 9:00am.

Motion to adjourn by Nancy. Meeting adjourned at 10:02am.

Respectfully submitted,
Diane Fizell
